

ABERNETHY GOLF CLUB
CLUB DIARY 2021

2021 Fixtures are available for online booking (via the Club website and the Scottish Golf app) with open and closing dates as shown below. Members are encouraged to enter competitions using the online booking system. However entry sheets will still be posted on the Club Noticeboard and late entries will continue to be accommodated wherever possible. Seniors will continue to operate as a roll-up on Tuesdays and Thursdays.

Visitors: We have full calendar of events but that does not mean the course is full. Many of our competition fields are very select (i.e. small). The best way to check if we have tee availability is to check the online booking system. You will be very welcome.
